

## THE EURASIAN ASSOCIATION

The Eurasian Association (EA) was founded in July 1919 when some Eurasians saw a need for more collective representation in uplifting the community. In 1995, the Association was accorded by the Government the Self-Help status to act on behalf of the Eurasian community in Singapore.

Our mission is to build a cohesive and vibrant Eurasian community that integrates with and contributes to the success of a multi-racial Singapore. Events organized by the EA contribute directly towards our mission.

Your donation will enable the Association to continue the good work in meeting the needs of our community, specifically, low-income families, youth at risk, struggling single parents and the lone and poor elderly. Your contributions will help to feed families, finance children's education and run programmes, workshops and courses to reach out to more people in need.

Your support will make a huge difference! Every bit will help. Thank you.
