

Education Schemes - Terms and Conditions 2018

A. Background of the Eurasian Association

The Eurasian Association (EA) became a Self-Help Group in 1994 after being awarded the Institution of Public Character (IPC) status. Our key pillars are Education and Family Support Services, while Community Engagement continues to play a role in reaching out to more Eurasians in Singapore. With funding from reputable organisations and foundations, the EA is able to render financial assistance to more students from lower-income families, under our Education Schemes.

B. Eligibility Criteria

- (1) An applicant must be a Singapore Citizen.
- (2) An applicant must be a Eurasian.
Definition:
 - 2.1 At least one parent is a Eurasian (as indicated on the NRIC, either father or mother)
 - 2.2 One European parent and one Asian parent
- (3) Income criteria: Refer to the Education Scheme for the respective Gross Household Income (GHI) and Per Capita Income (PCI) (i.e. GHI divided by the number of persons staying in the household).
- (4) Involvement in CCA, leadership roles and/or community service will be taken into consideration.
- (5) Previous and/or current involvement in EA events and activities will be an added advantage.
- (6) Some schemes are based mainly on academic results and merit, CCA involvement and volunteerism, although family background and income will still be taken into consideration.

C. Terms and Conditions

- (1) **EA Awards, Bursaries and Scholarships are applicable to Eurasian students studying full-time in local schools, not including part-time studies and private and overseas institutions.**

- (3) Candidates will be interviewed by an Education Selection Panel constituted by the Eurasian Association. The decision made by the Panel is final. Selection of candidates will be competitive and is based on academic merit as well as the financial position of the families.
- (4) Selected students will be expected to volunteer a minimum of 10 hours per year in EA events and activities, to help in our key pillars of education, family support services and community engagement.
- (5) Successful recipients will be required to submit their academic results at the end of each year or final exam.
